

## Family days in the Chamois Land

**TATRANSKÁ LOMNICA (30<sup>th</sup> September 2014) – Families with children will enjoy a great deal of fun in the children’s entertaining centre called Chamois Land in the area of Skalnaté Pleso next weekend. A rich programme for all age groups, which is prepared for 4<sup>th</sup> and 5<sup>th</sup> October 2014, will include special Chamois Olympics, various workshops and a competition in creating the most beautiful animal or observing real chamois with a ranger. The weather in autumn is just perfect for hiking in the Tatras and enjoying cableway trips with beautiful views.**

Indian summer is the most beautiful season of the year in the Tatras as it guarantees settled weather and breathtaking views. Besides easy hiking trips along the main tourist trail called Tatranská magistrála or comfortable cable car trips to Lomnické sedlo (saddle) and Skalnaté Pleso, families with children can enjoy a lot of surprise and great fun in the children’s fun park of the Chamois Land during a special weekend. Parents but mainly children will love 10 activities that will test their sports skills and knowledge. There will be a competition in creating the most beautiful animal, observing real chamois with a TANAP ranger and delicious grill specialities in the Panorama restaurant of Skalnaté Pleso. All those who take part in a family activity during the weekend can win an attractive skiing holiday at Grandhotel Praha\*\*\*\* in Tatranská Lomnica.

Tourists can enjoy autumn and its colours while walking on the roof of the Tatras – in the saddle of Lomnické sedlo at the altitude of 2,190 m, where the cult Slovak film “Medená veža” (Copper Tower) was shot, or discover the most attractive places and locations in the footsteps of the Tatra Wilderness – a special educational programme for children. One of its adventures is set in Lomnické sedlo and the Chamois Land in Skalnaté Pleso.

The opening times of cableways are going to change in autumn. For more information, please click [HERE](#). The cable car that operates to Mt. Lomnický štít will be operating from 4<sup>th</sup> October 2014 again, once it has the haulage rope changed.
