*“The tests represent one of the last steps of successful introduction of our new cableways. I am glad, that the cableway in Jasná passed the tests and we are expecting the final inspection within short time. The cableway in Lomnica will pass the tests these days”,* said Bohuš Hlavatý, the chairman of the TMR Board. Introduction of the cableways into the operation is a difficult technological process, nevertheless the time delays are not assumed. *“If everything goes well, we will introduce the new prides of our resorts into the operation before Christmas – till 15th we introduce the cableway in Jasná and till December 20 the heated cableway in Tatranská Lomnica as well”,* added Hlavatý.

Technological stars with orange bubbles will star in the second half of the month, however **in the second half of this week other stars will play – the tennis stars.**

Exhibition matches of Slovak tennis stars such as Miloš Mečič, Marián Vajda, Michal Mertiňák, Karol Beck, Martin Kližan and many others of Slovak tennis players will hold under the Lomnický peak in tennis hall in Tatranská Lomnica. The tennis players invited

their relatives as well and by the current snow conditions, it is expected that they will not stay by the tennis only.

New Music pub Humno has in its pipeline the first ski party of this winter season that with the snow the right winter atmosphere came to the Tatras. It is sufficient to take the ski hat and ski fashion party can start.
